

Lesley Senior Communities continues to follow guidance from the Centers for Disease Control and state and local health officials to slow the spread of the coronavirus.

LSC Mask Mandate. As a reminder, below are the rules for LSC residents and visitors...

- You must wear a facemask in all indoor common areas of our buildings. This includes lobbies, social halls, reading rooms, elevators, stairwells, communal dining rooms, staff offices, etc.
- You do not have to wear a facemask when alone in your apartment; however, when answering your door to staff, homecare providers and visitors please wear a facemask.
- You do not have to wear a facemask in the outdoor common areas of our buildings unless you can't maintain 6 feet of social distance from others. Outdoor common areas include the main terrace area and parking garage at Lesley Terrace, the patio areas at Lesley Towers, the courtyards and parking garage at Lesley Plaza, and the outdoor areas surrounding Lesley Gardens and Ocean View Plaza.
- For residents at Lesley Gardens, Ocean View Plaza and Lesley Plaza who are lucky enough to have private patio spaces, you do not have to wear a facemask in those areas unless you are unable to maintain 6 feet of social distance from others.

COVID-19 prevention habits.

- Wear a facemask when indoors (except when *alone* in your apartment)
- Wash your hands frequently
- Use hand sanitizer
- Don't touch your face
- Maintain social distance of 6 feet when possible
- If you have not been vaccinated, please get vaccinated!

Symptoms. Remember that the most common COVID-19 symptoms among fully vaccinated adults are similar to those in unvaccinated people: loss of smell, cough, fever, headaches, shortness of breath and fatigue. If you experience these symptoms, please contact your medical provider immediately and please let your administrator know.
